Re: Removal of Spring Road Bans

Please be advised that effective 8:00 a.m. Wednesday June 6/12, Millar Western has lifted the Spring Road Ban.

Please remember that roads are to be used under DRY or FROZEN conditions only.

Road users are also reminded that valid road use agreement(s) must be in place prior to using MWFP roads. To verify road use agreement(s) status, please contact Lori at 780-778-2221 ext. 2163 or lbrandt@millarwestern.com.

The following will assist in determining what type of agreement you must have in place/or need to request, prior to using the roads.

| | |
|---------------------|--|
| Short Term Road Use | Use of MWFP LOC(s) for the purpose of heavy (over 3 Ton), short term use. Examples include: drilling/service rigs, water/cement/vacuum trucks, Pickers, construction equipment moves, etc. |
| Long Term Road Use | Use of MWFP LOC(s) for the purposes of ongoing site maintenance throughout the year. Intended for light use (under 3 Ton) (pick up access to sites connected to a pipeline) or heavy use (over 3 Ton) (sites that require regular fluid removal or are not connected to a pipeline), servicing major pipelines or powerlines |
| Special Conditions | Use of MWFP LOC (s) that does not fall into the above categories. Emergency access during unfavorable road conditions, Access during road ban periods |

Thank you.
