Re: Spring Road Ban Effective April 6, 2019

Please be advised that effective 10:00 am on Saturday April 6, 2019 there will be a full spring road ban on all roads held or owned by Millar Western.

Road users are also reminded that valid road use agreement(s) must be in place prior to using MWFP roads. **Without a Special Conditions Road Use Agreement you will NOT be permitted on Millar Western roads for any reason.** To verify road use agreement(s) status, please contact Leah at 780-778-2221 ext. 2163 or millarland@millarwestern.com.

The following will assist in determining what type of agreement you must have in place/or need to request, prior to using the roads.

- | | |
|---------------------|--|
| Short Term Road Use | Use of MWFP DLO(s) for the purpose of heavy (over 3 Ton), short term use. Examples include: drilling/service rigs, water/cement/vacuum trucks, Pickers, construction equipment moves, etc. |
| Long Term Road Use | Use of MWFP DLO(s) for the purposes of ongoing site maintenance throughout the year. Intended for light use (under 3 Ton) (pick up access to sites connected to a pipeline) or heavy use (over 3 Ton) (sites that require regular fluid removal or are not connected to a pipeline), servicing major pipelines or powerlines |
| Special Conditions | Use of MWFP DLO (s) that does not fall into the above categories. Emergency access during unfavorable road conditions, or during road ban periods |
